Subject: Lee Administration Site - FSFREA nomination withdrawal

To: Regional Forester

This letter notifies the Region that the Forest is requesting that our nomination of the Lee Administrative Site be withdrawn from further consideration for conveyance under the Forest Service Facilities Realignment and Enhancement Act of 2005 (FSFREA) authority.

The Forest submitted our nomination in November, 2010 as a supplemental means of securing additional funds to assist with development of the Supervisors/District office complex in Jackson. After a series of internal and public meetings, and an overwhelming response in opposition to the proposal, we have determined that the proposal does not align well with the guidelines of FSFREA.

We ask that all Engineering and Lands planning work cease, and that the RO confirm that the case has been withdrawn.
