Board of County Commissioners
Re: Jackson Hole Golf & Tennis Final Plat

Dear Commissioners,

On behalf of the Jackson Hole Conservation Alliance, I apologize for being unable to attend the Feb. 2 hearing. Following are some brief comments regarding the Jackson Hole Golf and Tennis Final Plat approval. Given the extensive review process of this master plan and the agreed-upon importance of restrictions to lessen the project's impacts, it is critical that all possible steps are taken to ensure that restrictions will hold in perpetuity. For this reason, additional clear references to dog prohibitions should be included in the recorded documents before you today.

Thank you for your consideration of these comments.

Sincerely,
